

# 2020 Honor Roll *of* Donors

**Southeast Missouri State University is truly a special place!** The beauty of our campus is unmatched ... but it is truly the people who make Southeast so unique.

During the past few months, the impact of COVID-19 has changed our world in so many ways. Throughout this process, our SEMO community has demonstrated incredible strength in facing the challenges.

Southeast faculty and staff have been working tirelessly to maintain a healthy and safe campus while continuing their commitment to engaging in top quality education that has always been a hallmark of Southeast Missouri State. Our students have responded by following established safety guidelines and passionately embracing the opportunities to learn and grow in an environment unlike any other.

As always, we remain committed to providing a top quality education that is a smart investment, and it's *you* who plays a critical role in making this possible. Your generous support shapes tomorrow, ensuring a life-changing experience for the dedicated students of today who will become proud alumni of Southeast Missouri State University!

It's because of you – our donors, alumni, and friends – that our graduates are prepared for success in their chosen careers and success in their lives. And, because of you, Southeast has a strong foundation on which to build a bright tomorrow.

Thank you for your generosity and commitment to help us ...

***BUILD SEMO STRONG!***

Sincerely,

A handwritten signature in black ink, appearing to read "Carlos Vargas". The signature is fluid and cursive, with a large initial "C" and "V".

Dr. Carlos Vargas  
President  
Southeast Missouri State University

# *the* **PRESIDENT'S COUNCIL**

---

The President's Council is comprised of individuals and corporations who are investors in the success of Southeast Missouri State University. Their legacy is reflected in the accomplishments and achievements of Southeast's students.

Their commitment to Southeast has led these alumni and friends to make cumulative gifts of \$20,000 or more as individuals and \$50,000 or more as corporations.

It is with deep gratitude that we honor all members of The President's Council.

## REGENTS CLUB (\$1,000,000 and greater)

---

### \*Cora E. Adkins

**Bold** indicates new members as of June 30, 2020.  
\*Denotes deceased.

The Horizon Club members are individuals who have provided for future Southeast students through wills, trusts, annuities, life insurance policies, or other planned gift arrangements.

We fondly remember alumni and friends whose planned gifts have come to fruition and are now changing the lives of Southeast's students, and ultimately, the world.

It is with deep gratitude that we honor all members of the Horizon Club.

# *the* COPPER DOME SOCIETY

Members of the Copper Dome Society give \$150 or more during the fiscal year (July 1, 2019 to June 30, 2020). These individuals demonstrate their commitment and leadership by enabling students to receive scholarships, the latest classroom technology, and experiences outside of the classroom which are so vital for learning today.

## EMERGENCY RELIEF FUND

With the sudden disruption of life at Southeast Missouri State University and in communities around the world, our students were faced with uncertain times, new challenges, and, in many cases, unexpected costs. To address urgent needs, the University developed a new emergency relief fund to provide aid and ensure financial hardships did not cause a disruption in a student's ability to pursue their education. Because of our donors we were able to provide over \$16,000 of COVID-19 relief to our students through the Emergency Relief Fund.

## VETERANS PLAZA

Southeast Missouri State University's new Veterans Plaza was officially dedicated on September 25, 2020 with a flag-raising ceremony. The University's Veterans Plaza, located between Academic Hall and Memorial Hall, honors the military service of Southeast veterans and families of veterans. The Plaza consists of a central stone and plaque honoring past, present, and future military members, and commemorative engraved bricks honoring the military service of Southeast alumni, friends, and family members. Commemorative bricks will be added each fall to continue this new Southeast tradition in honor of veterans.

  - / McPherson Baseball Fund
  - / Wayne & Joan McPherson Endowed Scholarship
  - / Scholarship for Advocacy, Equity, & Justice
  - / The Werner Family Scholarship
  - / Donald & Arlene Wollenweber Memorial Scholarship

# 2020 FRIENDS *of* THE UNIVERSITY

The Friend of the University Award is the highest honor bestowed by the Southeast Missouri University Foundation. Recipients of this honor must have the respect of the community and the University and must have acted to confirm their interest and involvement with the University.

Donald and Gloria LaFerla of Joplin, Missouri, are the Southeast Missouri University Foundation 2020 Friends of the University.

The award honors the LaFerlas' long-time commitment to philanthropy and generosity at Southeast Missouri State University.

The LaFerlas' philanthropic support is felt in many areas of campus, including scholarship support provided through the Gloria King LaFerla Endowed Scholarship in Technology; the Donald G. LaFerla Endowed Scholarship for Health Sciences; the Luther A. King Endowed Scholarship to support undergraduate education majors; and the Robert King Endowed Scholarship for undergraduate finance or accounting majors. In May 2014, the LaFerlas' strong interest in technology and health sciences led them to establish a \$1.7 million planned gift, and the University's Board of Regents honored them with the naming of the Donald G. and Gloria King LaFerla Residence Hall.

The LaFerlas met in 1959 as students at Southeast Missouri State College. They say they received a quality education, made lifelong friends and started their lives together at Southeast. Gloria graduated from Fox High School in Arnold, Missouri, in 1958, after completing her first three years at College High School on the Southeast campus. She returned to Southeast as a college student, thanks to a scholarship she received and has forever remembered from a local bank. Having benefited from a scholarship herself, Gloria said she and Don have always enjoyed meeting the student recipients of their awards at an annual Southeast scholarship reception. In choosing Southeast, Gloria followed in the footsteps of her father, Luther A. King ('57), and her brother, Robert M. King ('58) who graduated from Southeast Missouri State College, as it was known at the time. At Southeast, Gloria was a member of Alpha Xi Delta sorority, while, Don, a St. Louis native, majored in biology and geology, and was a member of Tau Kappa Epsilon fraternity. He graduated in 1961, and the couple was married soon afterwards in St. Louis, Missouri. Don

went on to serve as a senior system analyst and requirements planner at Emerson Electric Company and was also employed by McDonnell Douglas in St. Louis. Gloria began her career at IBM Corporation in St. Louis, later taking off several years while the couple's two sons were young. In 1973, she graduated from Florissant Valley College with academic honors and an Associate of Arts. That same year, Don accepted a position at Leggett and Platt, Inc., in Carthage, Missouri, and the young family relocated to that area. He progressed through six higher-level positions before retiring in April 2001 as a corporate officer and vice president of administrative services. Gloria retired from the National Marketing Division of the IBM Joplin Office in 1996.

In addition to their involvement at Southeast, the couple has been active in several community and national service activities. Don is a former member of the Mercy McCune-Brooks Hospital Board, having served as both president and vice president, and a former member of the McCune-Brooks Healthcare Foundation Board, having been both vice president and secretary-treasurer. He is an emeritus member of both the Southeast Missouri University Foundation Board and the Missouri Southern State University Foundation Board and is former president of the Carthage Community Foundation. He also previously served on the Missouri Hospital Association Board, the Community Foundation of Southwest Missouri, and the Carthage Chamber of Commerce.

Gloria was active in the Parent-Teachers Association and Soroptimist International in Carthage where she served as both president and vice president. She also was a long-time member of the Dogwood Garden Club and the McCune-Brooks Hospital Auxiliary.

The LaFerlas are the parents of two sons, Dr. Jeffrey LaFerla, a Doctor of Optometry in Kansas City, Missouri, and Dr. Michael LaFerla, a Board Certified Orthodontist practicing in Joplin, Missouri. They have three grandchildren, Peyton, Cameron, and Jadyn.

## *A world of difference...*

Southeast Missouri University Foundation has seen many changes this past year. Like the rest of the world, we have had to relearn how to function in a new – largely virtual – environment.

We made a first step to a more virtual environment before COVID-19. In 2019, we began the process of moving to a new database platform that is web-based and provides enhanced connectivity with our alumni, donors, and friends.

With the social distancing changes the pandemic has brought, we've also embraced virtual meetings and events. In addition to keeping you and us healthy, this virtual option allows us to include those that would not have been able to join previously due to distance. While we look forward to having you all back to campus in-person, we're thankful to still have the opportunity to include our donors, alumni, friends, Board and committee members in these important activities.

Please know that your generosity continues to make a world of difference in Building SEMO Strong.
